i You only need one ID.me account

If you already have an account, don't create a new one. You can use the same ID.me account to sign in to different IRS online services.

IRS now offers a sign-in option with ID.me, which offers access to IRS online services with a secure account that protects your privacy.

ID.me is an account created, maintained, and secured by a technology provider.

If you don't have an ID.me account, you must create a new account.
